Enclosure supplier review

[SAMPLE] Fictional Aurora Labs company record. Not research findings.

Record	SUPPLIER-REV-09
Date	2026-09-24
Owner	Elena Voss
Project	Aurora Labs / GH-03

Context

The fictional supplier Harbor Components provides enclosure shells for Nova Widget v2. Lot ENC-2609 is awaiting a gasket fit review linked to SUP-2026-026.

Details

Delivery punctuality and part acceptance are separate measures. The supplier may deliver on schedule while an enclosure lot remains under inspection. Keep these states distinct in the purchasing record.

Next action

Jonah Park will inspect three retained shells. Elena Voss will request a replacement quotation only after the inspection identifies the affected quantity.
